

The New Testament in 90 Days - Reading Schedule

The idea of this reading schedule is simple. If you read 3 chapters per day of the New Testament, you will complete the entire NT in 3 months. You can do this in conjunction with an OT readings schedule, or do the NT twice a year and work on the OT once a year, or many other combinations. Just make sure you are reading the Bible! The dates given below are approximate since not every month has exactly 30 days. But since there are 90 days in most 3 month periods of the year, you can read 270 chapters in 3 months. There are only 260 chapters in the NT, so you can see how it will fit with a few days to catch up if you fall behind. I encourage you to print this sheet out and check off each section as you read it. Search the Internet to find more schedules if this one doesn't suit your needs..
